

Bad Bad Girl

Brian Setzer

Well I caught the last plane to Tokyo, Japan
I'm sittin' next to a chick with a Japanese fan
Ohayo gozaimasu, konnichiwa
Sayonara, konbanwa

She's not the same

She's a bad bad girl in bad bad world
A bad bad girl in a bad bad world
It's not her fault she's a bad bad girl
It's so sad it's a sad sad world
She's a bad girl in a bad bad world
A bad bad girl in bad bad world
It's not her fault she's a bad bad girl
She's a bad bad, bad bad, bad bad, bad girl

Well Harajuku City, Harjuku City
I'm lookin' in the mirror
And it ain't real pretty
Soitsu wo moto kure
Soitsu wo moto kure
What can we do?
Do shitara ii? Do shitara ii?
What can we do? Do shitara ii?

She's a bad bad girl in bad bad world
A bad bad girl in a bad bad world
It's not her fault she's a bad bad girl
It's so sad it's a sad sad world
She's a bad girl in a bad bad world
A bad bad girl in bad bad world
It's not her fault she's a bad bad girl
She's a bad bad, bad bad, bad bad, bad girl

Too many people walkin' down the street
There's too many people walkin' down the street
In a world gone mad, you're a bad bad girl
It's so said it's a bad bad world
Do shitara ii? Do shitara ii?
What can we do? Do shitara ii?

She's a bad bad girl in bad bad world
A bad bad girl in a bad bad world
It's not her fault she's a bad bad girl
It's so sad it's a sad sad world
She's a bad girl in a bad bad world
A bad bad girl in bad bad world
It's not her fault she's a bad bad girl
She's a bad bad, bad bad, bad bad, bad girl
