

That Mellow Saxophone

Brian Setzer

I wanna mambo, sambo, do my number
Hold my baby all the summer
Every time I hear that mellow saxophone

I wanna rip it rock it, really bop it
Flip it, flop it, davy crockett
Every time I hear that mellow saxophone

I wanna rock rock rock
Roll roll roll
Bop bop bop

I wanna rip it rock it, really bop it
Whoaaaaa, davy crockett
Every time I hear that mellow saxophone

I wanna rock rock rock
Roll roll roll
Bop bop bop
