

# I Just Can't Wait to Be King

Brian Wilson

Way behind the water hole  
A little down the line  
The jungle and the plains and peaks  
Are scheduled to be mine

Gonna be the ruler of everything around  
From the grandest of the mountains  
To the humble common ground  
My reign will be a super awesome thing  
Oh, I just can't wait to be king

I'm gonna be a noble king  
Scrupulously fair  
I only need a little time  
Perhaps a little hair

I'm gonna be the mane event  
Like no king was before  
I'm brushing up on looking down  
I'm working on my roar  
The fauna and the flora gonna swing  
Oh, I just can't wait to be king

No one saying, "Do this"  
No one saying, "Be there"  
No one saying, "Stop that"  
No one saying, "See here"  
Free to run around all day  
I'll be free to do it my way

No one saying, "Do this"  
No one saying, "Be there"  
No one saying, "Stop that"  
No one saying, "See here"  
Free to run around all day  
I'll be free to do it my way

The time has come as someone said  
To talk of many things  
This may be true  
But I would rather stick to talking kings

It's easy to be royal if you're mighty leonine  
It isn't just my right, even my left will be divine  
The monarchy is waiting to go zing  
Oh, I just can't wait to be king

Just can't wait, wait to be king  
Just can't wait  
Just can't wait, wait to be king  
Just can't wait  
Just can't wait, wait to be king  
Just can't wait
