

# Saturday Night

Brian Wilson

Spending my life looking over my shoulder  
Trying and imagine how life could have been  
You've got me thinking about all of the people  
Who helped me come out from within

Answer the call you can try if you want to  
Hope for it all and we'll find a new way  
Back in the corner is our favorite table  
There's no place that I'd rather stay

Saturday Night  
On Hollywood Boulevard  
Hanging around with nothing to do  
Saturday Night  
I'm just where I want to be  
Spending my time (spending my time) here with you  
On a Saturday Night

Turn it around, take a look in the mirror  
All I can see is your face in the crowd  
You've got me seeing a little bit clearer  
Now we're playing our music too loud

Saturday Night  
On Hollywood Boulevard  
Hanging around with nothing to do  
Saturday Night  
I'm just where I want to be  
Spending my time (spending my time) ...

Hey baby  
Maybe we should pretend  
Instead of leaving  
We should stay till the end  
Tonight

Saturday Night  
I'm just where I want to be  
Hanging around with nothing to do  
Spending my time on Hollywood Boulevard  
Saturday Night

Saturday Night  
On Hollywood Boulevard  
Hanging around with nothing to do  
Saturday Night  
I'm just where I want to be  
Spending my time, here with you.  
On a Saturday Night  
On a Saturday Night  
On a Saturday Night  
Here with you.
