

# The Bare Necessities

Brian Wilson

Look for the bare necessities  
The simple bare necessities  
Forget about your worries and your strife  
I mean the bare necessities  
Old Mother Nature's recipes  
That brings the bare necessities of life

Wherever I wander, wherever I roam (wherever I roam)  
I couldn't be fonder of my big home (of my big home)  
The bees are buzzin' in the tree  
To make some honey just for me  
When you look under the rocks and plants  
Take a glance at the fancy ants  
Then maybe try a few  
The bare necessities of life will come to you

Look for the bare necessities  
The simple bare necessities  
Forget about your worries and your strife (and your strife)  
I mean the bare necessities  
That's why a bear can rest at ease  
With just the bare necessities of life

Just try and relax yeah, in my backyard (in my backyard)  
'Cause let me tell ya boy, you're working too hard (you're working too hard)  
Don't spend your time lookin' around  
For something you want that can't be found  
When you find out you can live without it  
And go along not thinkin' about it  
I'll tell you something true  
The bare necessities of life will come to you

Just try and relax yeah, in my backyard (in my backyard)  
'Cause let me tell ya boy, you're working too hard (you're working too hard)  
Don't spend your time lookin' around  
For something you want that can't be found  
When you find out you can live without it  
And go along not thinkin' about it  
I'll tell you something true  
The bare necessities of life will come to you
