

Indifference  
driving Out The Colour  
the Voice Goes On And On  
rest Assured I Won't Be Be Good Enough For You  
dont Let Them Scare You Away  
open Your Choices  
the Secrets Have Been Exposed  
the Truth Is I Dont Understand You  
i Never Did  
indifference  
driving Out The Colour  
the Stream Goes On And On  
rest Assured I Wont Be Good Enough For You  
dont Let Them Scare You Away  
open Your Choices  
the Secrets Have Been Exposed  
the Truth Is I Dont Understand You I Never Did  
farewell Although The Distance Hurts  
the Truth Is I Dont Want To Notice  
i Never Did  
now Changes From The One  
all We Need Is Space To Grow  
so Call Up The Right Words  
and Take The Pain Away
