Tell Me I'm Wrong

Brighten

Last night I had a dream
You were my girl and I was your man
Then I woke up with a ring
Someday I will find one that fits your hand
So here I go
Heart on my sleeve again

Tell me I'm crazy
For thinkin' that maybe
You and I are alright
Baby, I dare you
Unless you're too scared to
Admit that I'm right
'Cause I've been dreamin' about you, baby
For far too long
So go on
Girl, tell me I'm wrong

I hear the way you laugh
Feel the way you touch and how you smile at me
You may think I'm makin' this up
There's no way that it's make-believe
So here I go
Honest as can be

Tell me I'm crazy
For thinkin' that maybe
You and I are alright
Baby, I dare you
Unless you're too scared to
Admit that I'm right
Because I've been dreamin' about you, baby
For far too long
So go on
Girl, tell me I'm wrong
Girl, tell me I'm wrong

And tell me once again
Tell me I've been thinkin' this for far too long
'Cause girl, I know you love me
And you know that you have all along
Girl, tell me I'm wrong
