

Georgie Ray

British Sea Power

Before this day is cemented,
In memory of Ray,
Can we all do something, instead of pray.

And it was good how Georgie warned us.
It was good what Georgie said;
"It's kind of unbelievable how we are not all dead."

'cos it's not over, all said and done.

Why don't you say something,
Won't you say something,
Won't you say, say, say something.

Won't you say something,
Won't you say something,
Won't you say, say, say something, now.
Before it gets dark.

Ahhhhhh

Before the language gets perfected,
To a solitary grunt,
Can we still sing electric,
On the sun?

Before it's over,
All said and done.

Before it's over,
All said and done.

I think it's probably best to say something,
Won't you say something,
Won't you say, say, say something.

Won't you say something,
Won't you say something,
Won't you say, say, say something, now.

Before it gets dark,
Oh it gets dark,
Before it gets dark.

Say something now,
Before it gets dark,
Oh it gets dark,
Before it gets dark.
