

No Need to Cry

British Sea Power

When it's good, it's not bad
When it's bad, I don't mind if you're queer,
Let's be happy while we're here.

I don't clap, I don't cheer
I don't look, I don't hear.
It's alright I don't mind that you're here.
It's alright.

I sit up, sip my tears,
As they're falling down in my beer.
No need to cry at all,
There's no need to cry at all.

Play the game, cup your ears.
Let's be happy while we're here.

Coming, coming coming out of your eye, I don't mind.
Coming, coming coming out of your eye, I don't mind.

No need to cry at all,
No need to cry at all,
There's no need to cry at all.
No need to cry at all,
There's no need to cry at all.

Coming, coming coming out of your eye, I don't mind.
Coming, coming coming out of your eye, I don't mind.
No need to cry at all,
No need to cry at all.
