

Back To Oregon

Broadway Calls

I Want To Run 1, 000 Miles Home
Break Down All Walls That Block Me From Your Bed
Capture Your Eyes, As I Explore Your Thighs
And Try To Explain What's Going On Inside My Head

Girl, I've Run All Across This Land
I've Seen Waves Crash On Beaches And Steal
My Breath, I've Seen Snow On The Hilltops
Perfect And Smooth As My Hand Navigating Your Chest

Oh, I've Seen California
All The Mountains And Deserts And Streams
As The Monuments Crumble And Erode Away
I Know You're Back Home Waiting For Me

And Now I Depend On My Sense Of Adventure
To Get Through All The Rough Times
'Till We Get Back Together

I Want To Run Back To Oregon
Fall Every Tree That Blocks Me From My Street
Up In The Hills, Watch The City Lights
I Won't Feel Home 'Till I Have Portland Unfer My Feet

Girl, I've Run All Across This Land
I've Seen Waves Crash On Beaches And Steal
My Breath, I've Seen Snow On The Hilltops
Perfect And Smooth As My Hand Navigating Your Chest

Oh, I've Seen California
All The Besements And Stages And Scenes
I Could Laugh As It All Falls Into The Sea
I Know You're Back Home Waiting For Me

And Now I Depend On My Sense Of Adventure
To Get Through All The Rough Times
'Till We Get Back Together

And Now I Depend On My Sense Of Adventure
To Get Through All The Rough Times
'Till We Get Back Together

When I Get Home, I'm Up For Anything
I'm Up For Anything
When I Get Home, I'm Up For Anything
I'm Up For Anything
When I Get Home, I'm Up For Anything
I'm Up For Anything
When I Get Home, I'm Up For Anything
I'm Up For Anything

And Now I Depend On My Sense Of Adventure
To Get Through All The Rough Times
'Till We Get Back Together

And Now I (And Now I) Depend On (Depend On) My Sense Of Adventure
To Get Through (To Get Through) All The Rough Times (The Rough Times)

'Till We Get Back Together
