

Malicious Meatholes

Broken Hope

She stalks you hard and sluts you up for a fuck,
But for some whores choad-loads aren't enough.

Cum-catcher, ham-slit and cornhole gape,
Beckon your piss-pimp into consensual rape.

Battering lubricated orifices into submission,
Hiding the sausage brings a pricey admission.

Cast your wedding tackle out to the world,
And catch a gob-guzzling maneater in heels,
Lustful lacunas make you pay for perversions.

You thought nothing of the hardcore sex and sodomy.
You don't want commitment so she wants an apology.
She craves cock and uses many in any way she can.
Yet malicious meat holes punish you for being a man.

Cast your wedding tackle out to the world,
And catch a gob-guzzling maneater in heels,
Lustful lacunas make you pay for perversions.

Cum-catcher, ham-slit and cornhole gape,
Beckon your piss-pimp into consensual rape.

She defines promiscuous degradation as monogamy.
She wants your bloated baloney-bayonet bad.
And you wants all her meat holes just as much.
She brought alive scenes seen in kinky pornography.

Bang-boxes and shit-pipes wield domination.
Vulgar display of flesh power over male libido.
Best to rub out and punch your trouser-snake,
And avoid a venomous vagina's noxious grudge.
