

Don't Give up on Me

Broken Iris

Don't give up on me
I'm giving this my everything
My fragile heart is on your sleeve
Please don't give up on me

Any part of you
Give me something I can hold onto
Something tangible more than hands or feet
Don't give up on me

I'm falling
Hand me your hand
Hand me your hand
I keep crawling back
I still believe in you

If you'll meet me in the street
In harmony, the birds will sing
As the colors of the sunset beam
Lavender and green

I-I-I'm falling
Head over heels
When you are here
I-I-I keep dreaming
Of you, I still believe
That we can make it
Just don't wake up yet

Don't give up on me
Don't give up on me
I'll fight any war
With you and for you
Don't give up on me

I'll fight any war
With you and for you
Just don't give up on love
