Fire Eye'd Boy

Broken Social Scene

```
Until the day you die
You always admit
You were right
You were right
About all of it

Fire eyed boy gave them all the slip
Fire eyed boy gave them all the slip
If you're going to come, you better make it quick
Fire eyed boy gave them all the slip

Until the day I die
Columbia I blame
Brought us back
Back to life
Drifted off again

Fire eyed boy gave them all the slip
Fire eyed boy gave them all the slip
If you're going to come, you better make it quick
Fire eyed boy gets his ass whipped

Fire eyed boy gave them all the slip
Fire eyed boy gave them all the slip
If you're going to come, you better make it quick
Fire eyed boy gave them all the slip
Fire eyed boy gave them all the slip
Fire eyed boy gave them all the slip
If you're going to come, you better make it quick
Fire eyed boy gets his ass whipped
