

Me and My Hand

Broken Social Scene

(Vagina)
(1-2-3-4)
Me and my hand,
We've been together
Since I was born,
Since I was in the world.
Seen the light go out,
Seen light come in
Me and my hand,
My true best friend
And my love,
My love -
Oh, my hand
I've gotta give it up,
I always love you.
