

Oh I'm so handsome!
Who is this handsome man?
(Who am I?)
Why are people always hating on me?
(Hmm...)

(Okay)

Chiseled abs, you know that I'm the man
I'm on my game... model shit
You know my face, cause it's in every pic
There gotta be more, than being really really ridiculously good lookin
So I'm searching to help little kids but how they supposed to fit
On the stage made for antz
Somebody got get dairylea cause my balls
