

The Party Don't Stop

Brokencyde

Tonight we dance looking at the skies
So take a chance 'cause I don't wanna be alone
Yeah baby 'cause tonight we're free
Just you and me
And we can live in time this dream
We can be together for eternity

I've been tryin to tell them the party ain't stop it
Kept them bottles poppin for the rest of our lives
It's a celebration we know how to make em
And we go to party for the rest of our lives

The party won't start, party won't start
Party won't' start till I walk in
And the party don't stop, the party don't stop
The party don't stop, hope it never ends
The party won't start, the party won't' start
Till I walk in
The party don't stop, and the party don't stop
And the party don't stop till 5 A.M. tonight
Till 5 A.M. tonight

So tonight we left
So we fill the glass
And take the chance
'Cause I don't wana drink alone

I've been tryin to tell them the party ain't stop it
Kept them bottles poppin for the rest of our lives
It's a celebration we know how to make em
And we go to party for the rest of our lives

The party won't start, party won't start
Party won't' start till I walk in
And the party don't stop, the party don't stop
The party don't stop, hope it never ends
The party won't start, the party won't' start
Till I walk in
The party don't stop, and the party don't stop
And the party don't stop till 5 am tonight
Till 5 am tonight
