

# It's Just a House Without You

Brook Benton

Cause you see  
I'm going home to no one  
I'm going home alone

It was fun to be fancy free  
But now my loneliness  
Shows through, I miss you

What's the good in crying  
I'm only wasting tears  
What can I say, what can I do  
It's just a house without you

We planned a home  
High on a hill  
Til I had the urge to roam  
But now I found  
No peace of mind  
I can't seem to live alone

I think I'm gonna stop this crying  
Yeah, I'm only wasting tears  
What can I say, what can I do  
It's a house without you  
Just a house without you

Now we planned a home  
High up on a hill  
Til I had the urge to roam  
But now I found  
No peace of mind  
I can't seem to live alone

Lord, I got to stop this crying  
Cause I'm only wasting tears  
Why should I fret  
And go and grab a jet  
Cause what am I rushing to

It's just a hole in  
The wall without you  
It ain't nothing there without you  
It's like zero without you  
Baby, ain't nothing there without you
