## Laura (tell Me What He's Got That I Ain't Got)

## **Brook Benton**

Laura, hold these hands And count my fingers Laura, touch these lips You once desired

Lay your head upon my chest And hear my heartbeat Gently run your fingers Through my hair

Touch these ears that Listened to your wishes Most of them fulfilled And that's a lot

Let your soft gentle hands Caress my body Then tell me what he's got That I ain't got

Tell me what he's got That I can't give you It must be something I was born without

You took an awful chance To be with another man So tell me what he's got That I ain't got

Tell me, tell me

Laura, see these walls I built for you Laura, see this Carpet that I laid

See those fancy Curtains on the windows Touch those satin Pillows on your bed

Laura, count the Dresses in your closet Note the name upon The checkbook in your bag

And if there's time Before I pull this trigger Then tell me what he's got That I ain't got

Tell me what he's got That I can't give you It must be something I was born without And if there's time Before I pull this trigger Then tell me what he's got That I ain't got Laura, tell me what he's got That I ain't got Laura, tell me what he's got That I ain't got Tell me what he's got That I ain't got
