Valley Of Tears

Brook Benton

I want you to take me where I belong Where hearts have been broken with a kiss and a song Spend the rest of my days without any cares Ev'ry one understands me in the valley of tears. Soft words have been Ev'ry one understands me in the valley of tears.

I want you to spoken so sweet and low But my mind is made up love has got to go Spend the rest of my days without any cares Ev'ry one understands me in the valley of tears. Soft words have been Ev'ry one understands me in the valley of tears.
