

Boss Bitch

Brooke Candy

Na na na na
Na na na na na

I'm a, I'm a boss bitch, I'm a boss, bitch
I steal a fuck boy, take him hostage
Break his back, make him eat his own sausage
I'm a boss bitch, I'm a boss, bitch
And he's never gonna kiss me where my lip gloss is
Find his cute face missin' on a milk carton
Pay the ransom, price going up, Branson
See me dancin', money lookin' hella handsome

I'm the CEO, see you later, I don't need it (Bye)
Spaghetio in my bowl, best believe it
Three strikes and you're out like Adidas
On the telephone, dial tone, hear him breathin'

Started from the ground up (Boss bitch)
Get my dollars and my pounds up (I'm a boss bitch)
Dominating all these little boys
I'ma shout it, make the biggest noise
Started from the ground up (Boss bitch)
Get my dollars and my pounds up (I'm a boss bitch)
Dominating all these little boys
I'ma shout it, make the biggest noise

Na na na na (Boss bitch)
Na na na na na (I'm a boss bitch)
Na na na na (Boss bitch)
Na na na na na (I'm a, I'm a boss)

Hand down my pants on my pussy, I'm a boss bitch
Throw my panties in the crowd, make a mosh pit
Stringing him along like a cross-stitch
If there's a line, I'ma sure as hell cross it
It's Britney, bitches, and I'm toxic
Stick with me, kid, to pull a profit
Dip with me, flip and do a drop kick
I flip the script, I'm in the cockpit

I'm the CEO, see you later, I don't need it (Dolla)
Spaghetio in my bowl, best believe it
Three strikes and you're out like Adidas
On the telephone, dial tone, hear him breathin'

Started from the ground up (Boss bitch)
Get my dollars and my pounds up (I'm a boss bitch)
Dominating all these little boys
I'ma shout it, make the biggest noise
Started from the ground up (Boss bitch)
Get my dollars and my pounds up (I'm a boss bitch)
Dominating all these little boys
I'ma shout it, make the biggest noise

Na na na na (Boss bitch)
Na na na na na (I'm a boss bitch)
Na na na na (Boss bitch)

Na na na na na (I'm a boss)
Na na na na (Boss bitch)
Na na na na na (I'm a boss bitch)
Na na na na (Boss bitch)
Na na na na na (I'm a boss)
