My sex is my weapon
My sex always goes unbeaten
My sex is my demon
My sex, no it's not the second
My sex is unconquered
Not the church, not the state
My own faith
My sex is my weapon
My sex is my weapon

[Pussy Riot:]
My sex rules
[Brooke Candy:]
My sex got that big dick
My sex gonna fuck with no shame
My sex is my queerness
My sex has no gender
My sex is not your sex
Not the church, not the state
My own faith
My sex got that big dick
My sex got that big dick

[Brooke Candy (Pussy Riot):]
My sex, my sex rules (my sex rules)
My sex, my sex rules (my sex rules)

[Mykki Blanco:]
Big fat thing, I don't want a string bean
Kinda like a King Kong, put it in my ding dong (hi)
Dumb dick, longer than a python
Bitch, I am an icon
Shawty with the strap on, ow!
These dumb-dumbs, who the fuck are these dudes?
Thinkin' with their pee-pee's, giving me the creepies
I'ma have to teach you, give his ass a thesis
Fucking with the wrong bitch, you can eat my faeces
Yes, I am a feminist
With a black dick who says "bitch"
My sex ain't sex-ed
Sharon Stone white dress with the leg split
My sex be the business, my sex take your soul
Brooke Candy is randy, rock and roll Anna Nicole
Rock and roll Anna Nicole

[Brooke Candy (Pussy Riot):]
My sex, my sex rules (my sex rules)

My sex, my sex rules (my sex rules)
My sex!
I'ma tell you what to do (my sex rules)
My sex, my sex rules
My sex!

[Pussy Riot:]
Wild, cat, strike
Wildcat strike
Мой пол не слабый, он супергерой
Нам улыбнулся товарищ постовой
Мой пол доказал, что он самый первый
Ведь мы играем на чьих-то нервах
My sex rules
В правила не верю, я создаю свой пол
Если не веришь - посмотри в протокол
В школе говорят, что мужчина - бог
Я не мальчик, не девочка, я - единорог
My sex rules
Я не играю в роли, я их создаю
Не играю в роли, я их создаю
Лечу на метле, а не иду в строю

[Brooke Candy (Pussy Riot):]
My sex, my sex rules (my sex rules)
My sex, my sex rules (my sex rules)
My sex!
I'ma tell you what to do (my sex rules)
My sex, my sex rules (rules)
My sex!

[MNDR:]
I got a dick, you got a dick
I got a clit, you got a clit
You wastin' time defining it
If you fine as fuck, I fuck with it
I got a dick, you got a dick
I got a clit, you got a clit
You wastin' time defining it
If you fine as fuck, I fuck with it

[Brooke Candy (Pussy Riot):]

[Mykki Blanco (Brooke Candy):]
Gettin' down wit it, gettin' down wit it, gettin' down wit it
(Don't you know?)
Gettin' down wit it, gettin' down wit it, gettin' down wit it
Move around wit it, gettin' down wit it, gettin' down wit it
Gettin' down wit it, gettin' down wit it, gettin' down (TRAPCHAT)
