

Brooke Candy, you know they never be me,
You know I get my money, a bitch is staying greedy
They needy, you need me, get down on your knees
Whips and chains, you know the game. "Sodomy" my middle name
If you wanna touch this bitch you must be stacking hella rich
You must be tough, I like it rough, I need a slap to scratch th
at itch
Touch these titties, they the softest, and if you wanna pay my
rent I'll let you do it often.

Lucifer, my baby daddy, he cast a spell, he like it when I'm na
sty
He sent me here to do his work, won't stop until I'm done,
I stomp a dude's balls, grind them in the ground for fun
My shoes ain't Louboutin but they got red bottoms
99 problems, you know this bitch got 'em
Nothing is free and they pay me for sex,
You know this shit popping when N.A.R. on the decks,
You wanna get rekked, let's step to this bitch,
You looking like shit and I'm still getting rich.

Runnin' on that red light, runnin' on that red light;
it's the red light special
Brooke Candy, you know I get my money
I get I get I get I get I get I get I get my money
If you wanna touch this bitch you must be stacking hella rich
You must be tough, I like it rough, must be tough, I like it ro
ugh, I
