

Wonder-dummied

Brooke Waggoner

But I've never felt this feel so heavy
And I've never felt this feel so low
Yeah it is a wake inside my whole soul
But you are my strength I won't stand alone

And ask for the things you lack in heart
And you can begin a clean new start
Oh to be of the purest of pure in his arms
Yeah he, he will shield you from all harm

I tried my best alone but it got me nowhere and I can't do it o
n my own
I tried my best alone but it got me nowhere and I can't do it o
n my own
No on my own well it got me nowhere and I can't do it on my own
Oh on my own yes it got me nowhere and I can't do it on my own
No on my own yes it got me nowhere and I can't do it on my own
No on my own yes it got me nowhere and I can't do it on my own

I've never felt this feel so heavy
And I've never felt this feel so low
