

One Time

Brotha Lynch Hung

Man these wicked streets will drive a nigga insane
The week a cock back and put a pistol to da brain
Weed alcohol nicotine and cocaine
The plot to break us all down to eat
You gotta cheat to break the law down
Fuck em buck em all down
Yall down we can tear this motha fucka up again
Shootin nootin snatchin people out they trucks again

Grindin in this california sunshine
From la to da bay to sac town and back downthey can take a bird outa town on

Block shit we rock shit like cocaine
Hit the mean street trippin and dippin servin up whole thangs

There goes the rival you know the cities too small
Better no I'm liable ill take a strap up in da mall
No bull shit illeagle fo clips

If life was free I would say fuck pussy nigga dont push me
Im an o face killajay for hes even if its bloody I get more cheese
Smokin hella pounds of weed oe fukin up my gut
But I'm as drunk as can be
And eatin raw meat

Die at 21 nigga
Fuck gettin old
Money tah fold killa
Show shootin ledge hoes
Lick then split dont trust no setup hoes
Where dem clothes
Grindin in this california sunshine
One nine killa for higher fuck money sometimes

I live a life of a mobsta
Just talkin money eatin lobsta
And life swallows nigga just like a monsta
Ya bones is the proof of death
Investigators later said he dies a spooky death
You dont even wanna hear how they said he died
Just as well as californias home for homicide
We dodge death all dya tryin ta stay paid
And if our rivals dont come then the cops dont raid
So if a nigga aint high you no we drunk as fuck

And if a nigga aint rich hes tryin ta touch a buck
