Brown Eyed Girls

I've tried and tried again to forget you
But I've failed to forget you, the one I love
I hate you, I hate you so much
But why am I still waiting for you?
I've tried and tried again to let you go
Even though you're the only have I have in this world
If you leave, what do I do?
Now what do I do?
I'm a girl who knows nothing but love
I'm a fool who only sees you
I wasn't sure what I felt, I wasn't sure if it was pain
I just hated you for leaving
Heaven, will you let it rain?
I want to hid my tears in the rain
Because I was attached, I was foolishly attached
And even to this day, I love you

'Ve tried and tried again to let you go
Even though you're the only have I have in this world
If you leave, what do I do?
Now what do I do?
I'm a girl who knows nothing but love
I'm a fool who only sees you
I wasn't sure what I felt, I wasn't sure if it was pain
I just hated you for leaving
Heaven, will you let it rain?
I want to hid my tears in the rain
Because I was attached, I was foolishly attached
And even to this day, I love you

The person I loved with all my heart, please don't forget me

Because I missed you, I missed you too much to send you away
From the beginning, it was my fault for falling in love with y
ou
It's my fault for not knowing anyone else but you
I don't want to fall in love anymore
I'm done with love
