

Beautiful To Me

Bruce Kulick

Breathing, deeply, your scent fills my being
Lifting feelings from the past
Drifting, deeper, into your arms waiting
Dreaming I found love at last

I want the world to know
I will never let you go
You are so beautiful to me
I'll climb the highest mountain to show
How my heart has grown
You are so beautiful to me

Touching, gently, my lips on your body
Stirring feelings from my soul
Pressure, building, waves are crashing madly
Your love makes me lose control

Rivers flowing thru my mind
Colors crashing into time
I'll comfort you just follow me
Shadows building from the clouds
Lightening strikes away the doubt
You've conquered me now I'm complete
