

If I Should Fall Behind

Bruce Springsteen

D

We said we'd walk together, baby come what may

D

Bm

That come the twilight, should we loose our way

G

D

If as we're walking, your hand should slip free

Bm

I'll wait for you

G

should I fall behind

D

Wait for me

D

We swore we'd travel, darling side by side

Bm

We'd help each other, stay in stride

G

D

But each lover's steps fall so differently

Bm

But I'll wait for you

G

D

And if I should fall behind wait for me

G

D

Now everyone dreams of a love lasting and true

G

Bm

But you and I know what this world can do

G

D

So let's make our steps clear that the other may see

Bm

And I'll wait for you

G

If I should fall behind

D

Wait for me

D

Now there's a beautiful river in the valley ahead

Bm

There 'neath the oak's bough, soon we will be wed

G

D

Should we lose each other in the shadow of the evenings trees

Bm

I'll wait for you

G

and should i fall behind

D

Wait for me

Bm

Darlin' I'll wait for you

G

Should I fall behind

D

Wait for me
