Can't Stop This Thing We Started

Bryan Adams

You might stop a hurricane Might even stop the drivin' rain You might have a dozen other guys But if you wanna stop me baby - don't even try I'm goin' one way - your way It's such a strong way - let's make it our way

Can't stop this thing we started You gotta know it's right Can't stop this course we've plotted This thing called love we got it No place for the brokenhearted Can't stop this thing we started - no way I'm goin' your way! You might stop the world spinnin' round Might even walk on holy ground I ain't Superman and I can't fly But if you wanna stop me baby - don't even try I'm goin' one way - your way It's such a strong way - let's make it our way

Can't stop this thing we started You gotta know it's right Can't stop this course we've plotted This thing called love we got it No place for the brokenhearted Can't stop this thing we started - no way I'm goin' your way!

Oh - why take it slow I gotta know Nothing can stop this thing that we got
