## Sound the Bugle

## **Bryan Adams**

Sound the bugle now - play it just for me As the seasons change - remember how I used to be Now I can't go on - I can't even start I've got nothing left - just an empty heart

I'm a soldier - wounded so I must give up the fight
There's nothing more for me - lead me away...
Or leave me lying here

Sound the bugle now - tell them I don't care There's not a road I know - that leads to anywhere Without a light I fear that I will stumble in the dark Lay right down - decide not to go on

Then from on high - somewhere in the distance There's a voice that calls, "Remember who you are" If you lose yourself - your courage soon will follow

So be strong tonight - remember who you are Yeah you're a soldier now - fighting in a battle To be free once more - yeah, that's worth fighting for
