

## Bête Noire

Bryan Ferry

I know you - inside me  
Like poison like wine  
Now there's no sense in falling  
Say you'll be mine  
Give me the world around you  
Give me the time  
Only a dream without you  
Say you'll be mine

I've got - inside me  
In darkness entwined  
I would be lost without you  
Say you'll be mine  
Reflected in water  
Imagined by fire  
I will be waiting for you  
Say you'll be mine  
Beware bête noire  
Beware bête noire
