

Don't Ever Change

Bryan Ferry

You never wear a stitch of lace
And powder's never on your face
You're always wearing jeans except on Sunday

But please don't ever change
No don't you ever change
I kinda like you just the way you are

You don't know the latest dance
But when it's time to make romance
Your kisses let me know, you're not a tomboy

So please don't ever change
No don't you ever change
But promise me you're always gonna be
As sweet as you are

I love you when you're happy
I love you when you're blue
I love you when you're mad at me
So how can I get tired of you?

A lot of other girls I've seen
They know how to treat guys, mean
But you would rather die than ever hurt me

So please don't ever change
No don't you ever change
But promise me you're always gonna be
As sweet as you are

Please, don't ever change
Please, don't ever change
Please, don't ever change
