I thought - you'd be my streetcar named desire
My way - my taste of wine
I thought - you'd be that flame within the fire
One dream that just won't die

All night - looking for new love
Impossible true love - nothing at all
Looking for new gods - looking for new blood
Looking for you oh oh

I thought - I'd find you walking in the rain Just like a wayward child I thought - I'd find you calling out my name So foolish is my pride

All night - looking for new love
Impossible true love - nothing at all
Looking for new ways - looking for strange blood
Looking for you oh oh

I thought - I'd be your streetcar named desire Your man - the one you seek I thought - I'd take you deep within myself Subtitles when we speak

Hold on - the flower says reach out
The thunder says no shout is greater than mine
Listen and hold on - untill the day fades out
Smothered in gold
