

# Party Doll

Bryan Ferry

When the world outside of you  
Seems to weigh too much for you  
Then draw within' yourself  
For there is no one else

Well it's a sin  
What I'm sayin'  
But it's truth

Black and blue has turned to grey  
Real life pictures gone astray  
But don't give in  
Imagination rules again

It's a sin  
What I'm sayin'  
But it's the truth

Party doll, oh, how you turn me on  
Now the day's for sleepin'  
For I'll be leapin' all night long

Party doll, without you I can't go on  
Now the way I'm figurin'  
You'll be Leda  
And I'll be Swann

It's a sin  
What I'm sayin'  
But it's truth

It's a sin  
What I'm sayin'  
But it's truth

And if our secret love  
Is haunting you  
No one can hold me  
Like you used to do

Party doll, what's your game?  
Do you move, or entertain?  
What people say  
When it don't mean a thing

It's a sin  
Heads they lose  
Tails you win

Party doll, I must confess  
This wishin' well of loneliness  
Has dragged you down  
I'll wind you up, let's twist again

It's a skin  
Skin to skin  
Amien
