

The Emergency

BT

I watch you in the candlelight
My hand is in your hands
The neon lights have all gone down
We make our future plans

I wanted things to get better
I was in pain
I wanted you to be my lifeline

I wanted love to get better
I wait in line
For something I knew that I would get to keep

Yo, I love you
Yo, I love you
Yo, I love you
And I can feel it bleeding

Yo, I love you
Yo, I love you
Today is the day
That I love you

Yo, I love you
Yo, I love you
Yo, I love you
And I can feel it bleeding

Yo, I love you
Yo, I love you
Today is the day
That I love you

The flashing lights have gone away
Emergency has past
The future's right in front of me
And I won't finish last

Today is the day
That I love you
Today is the day
That I love you

Yo, I love you
Yo, I love you
Yo, I love you
And I can feel it bleeding

Yo, I love you
Yo, I love you
Today is the day
That I love you

Yo, I love you
Yo, I love you
Yo, I love you
And I can feel it bleeding

Yo, I love you
Yo, I love you
Today is the day
That I love you

Yo, I love you.....

Emergency has past.....
