

# The Ghost In You

BT

A man in my shoes runs alight  
And all the papers lied tonight  
But falling over you  
Is the news of the day

Angels fall like rain  
And love, love, love is all of heaven away

Inside you the time moves  
And she don't fade  
The ghost in you  
She don't fade  
Inside you the time moves  
And she don't fade

The race is on, I'm on your side  
And hearing you my engines die  
I'm in a mood for you  
For running away

Stars come down in you  
And love, love, love you can't give it away

Inside you the time moves  
And she don't fade  
The ghost in you  
She don't fade  
Inside you the time moves  
And she don't fade

Don't you go, It makes no sense  
When all your talking supermen  
Just take away the time  
And get in the way

Ain't it just like rain  
And love, love, love is only heaven away

Inside you the time moves  
And she don't fade  
The ghost in you  
She don't fade  
Inside you the time moves  
She don't fade

The ghost in you  
She don't fade  
Inside you the time moves  
And she don't fade

The ghost in you  
She don't fade  
Inside you the time moves  
And she don't fade
