

Don't Stop

Bubbles

Don't stop, don't stop

Just a rise and heading from a withdt of a lane.
And girls on the road where we stops gottin me laze.

We got it, we got it.

School's out for summer, it's time to go wild.

Don't stop, pumpin on the dancefloor.
Don't stop, give it just a little more.
Don't stop, everyone's invited.
Don't know what you're doing, but whatever you're doing don't stop.

Don't stop, don't stop, don't stop

Sitting in the backs and crusing got the wind in my hair.
It's kind of late driving but we all ready care.

We got it, we got it

School's out for summer, it's time to go wild.

Don't stop, pumpin on the dancefloor.
Don't stop, give it just a little more.
Don't stop, everyone's invited.
Don't know what you're doing, but whatever you're doing don't stop.

Don't stop, don't stop, don't stop
Don't know what you're doing, but whatever you're doing don't stop.

School's out for summer, school's out for summer,
school's out for summer.
It's time to go wild.

Kicking in the backseat, pumping to the dancebeat.
Don't stop, don't stop.
Taking me higher, a caughting me fire.
Don't stop, don't stop.

Don't stop, pumpin on the dancefloor.
Don't stop, give it just a little more.
Don't stop, everyone's invited.
Don't know what you're doing, but whatever you're doing don't stop.
(2x)

Don't stop, don't stop, don't stop.

Don't know what you're doing, but whatever you're doing don't stop.
