

# Somewhere

## Bubbles

Somewhere - there's gonna be a place for us.  
Somewhere.

When the world's looking down, look what we found.  
Somewhere, there's gonna be love enough.  
Well I know that you're there. Somewhere out there.

Somewhere.

We're walking on ice, we're throwing the dice.  
Don't turn around, don't let me down.  
It's up to you and me, it's our destiny.  
We can make it right, yeah, we gotta hold on tight.

What can I do?  
What can I do?  
What can I say?  
What can I say?  
Does it have to be this way?  
What can I do?  
What can I do?  
What can I say?  
What can I say?  
Does it have to be this way?

Somewhere, there's gonna be a place for us.  
Somewhere.  
When the world's looking down, look what we found.  
Somewhere, there's gonna be love enough.  
Well I know that you're there. Somewhere out there.

Oh, somewhere.

I'd walk a thousand miles, a thousand times.  
Just to be with you, yes you know it's true.  
I'll give my heart and soul, everything I own.  
Just to see you smile, just to stay a while.

What can I do?  
What can I do?  
What can I say?  
What can I say?  
Does it have to be this way?  
What can I do?  
What can I do?  
What can I say?  
What can I say?  
Does it have to be this way?

Somewhere, there's gonna be a place for us.  
Somewhere.  
When the world's looking down, look what we found.  
Somewhere, there's gonna be love enough.  
Well I know that you're there. Somewhere out there.

Somewhere. Oh, somewhere.

Somewhere - there's gonna be a place for us.  
Somewhere.  
When the world's looking down, look what we found.

Somewhere, there's gonna be a place for us.  
Somewhere.  
When the world's looking down, look what we found.  
Somewhere, there's gonna be love enough.  
Well I know that you're there. Somewhere out there.

Oh, somewhere.
