Baby

Yeah

If I could control my fears, where would ya be in my life? I tell you now I'm dangerous, love bleeds there in your eyes She flies like a butterfly, wind underneath her pretty wings Its not about the money babe, your lessons learned while you sl eep Yeah! Every time I look in your eyes Well I see the love, light up in you baby Just between the good advice Well I got the love, so tight in you baby, baby, yeah I got that love so tight in you baby I love it when you physical, underneath you beautiful Jammn' on your pillow case, its just enough for me baby, alrigh +Yeah! Every time I look in your eyes Well I see the love, light up in you baby Just between the good advice Well I got the love, so tight in you baby Let me catch a ride on your lifeline And create some lovely destruction Let me catch a ride on your lifeline And create some lovely destruction Oh yeah! Got to get down, come on, yeah Yeah! Every time I look in your eyes Well I see the love, light up in you baby Just between the good advice Well I got the love, so tight in you baby, baby Baby, baby, baby, baby, baby Baby, baby, baby, baby, baby
