## **Get Back**

## Buckcherry

I was down on my luck, to scared to leave my spot Saw you out my window thought this girl is hot Oh baby I could tell that your in tune with yourself on the bul avard, oh yeah

Double up on my grooving, to give me whati got When we get our groove on the best on the spot We could pain the town and fill the river with love tapping in the streets, oh yeah

Get back to what it is that drives you, you just can't fight of f the men And now you wanna tell me there so much left for you out there When im in love with you

Can we make it to the ocean and get wet with ourselves Listen to the movement and dance on the dock Im crazy for you baby and the llok on your face, well its killi ng me, oh yeah

Get back to what it is that drives you, you just can't fight of f the men And now you wanna tell me there so much left for you out there When im in love with you

Babys got the movement, its always how, sitting in a park and f eeling it rock Wont you stay with me, feel the love, mama play with me, uh Fellas on the move, looking for bucks, gererate the grove makin g it work Come on sway with me, feel the love, everytime you move im aliv e

Get back to what it is that drives you, you just can't fight of f the men And now you wanna tell me there so much left for you out there When im in love with you Get back to what it is that drives you, you just can't fight of f the men And now you wanna tell me there so much left for you out there When im in love with you
