

# Breaking Me Up

Bucks Fizz

This love is illogical  
But the pain is physical  
Why do I act like an animal?  
'Cause you're so damn critical

Too sharp  
Your tongue is like a knife  
It cuts my heart  
And leaves me sad  
'Cause I'm not that smart  
I never knew that love  
Could hurt so bad

It's breaking me up  
What the matter with you?  
Why'd you do it to me?  
It's supposed to be love  
Not a tragedy  
Do you want me to go?  
Do you want me to stay?  
Where I stand, I don't know  
And I got to say  
Love is breaking me up  
Ooh-oh  
I said love is breaking me up

Big fish in a little pool  
Still you treat me like a fool  
Wish I could just act sensible  
But you're so incredible

This love will be the death of me  
It hurts too much to be a clown  
'Cause I'm not so tough  
Sometimes you look at me  
And I break down

It's breaking me up  
What the matter with you?  
Why'd you do it to me?  
It's supposed to be love  
Not a tragedy  
Do you want me to go?  
Do you want me to stay?  
Where I stand, I don't know  
And I got to say  
Love is breaking me up  
Ooh-oh  
I said love is breaking me up

This love is breaking me up  
This love is breaking me up

Where are you now that I'm falling apart?  
Just take a look at what you've done to my heart  
With this love  
Oh

It's breaking me up  
What the matter with you?  
Why'd you do it to me?  
It's supposed to be love  
Not a tragedy  
Do you want me to go?  
Do you want me to stay?  
Where I stand, I don't know  
And I got to say  
Love is breaking me up  
Ooh-oh  
I said love is breaking me up

Ooh-oh  
Love is breaking me up  
Ooh-oh  
Love is breaking me up  
Ooh-oh  
Love is...
