

Cold War

Bucks Fizz

You've red marks
Round your eyes from crying over me
I can see you believe
You're as blameless as can be
Then you complain again
That we never seem to chat (back-chat)
Why chat (cha-cha-chat)
If your chat's as flat as that

And I don't see an end
To the cold war
No I can't see an end
To this cold war
We've been here before
Looking for love before
And I don't see an end
An end to the cold war

So they say
All our lives just fly by like a plane
And I've watched my ideals
And my life go down the drain
I'd be good for you
If you'd just give peace a shot (a shot)
Why not (why not)
It's the only shot we got

And I don't see an end
To the cold war
No I can't see an end
To this cold war
We've been here before
Looking for love before
And I don't see an end
An end to the cold war

The disarming way you had about you
The disarming way I had about me
The non-aggression pact that used to be
Oh-Oh-Oh

And I don't see an end to the cold war
(Can't see an end to this war)
No I can't see an end to this cold war
(Can't see an end to this war)
No I can't see an end to this cold war
(Can't see an end to this war)...
