

Rock & Roll Woman

Buffalo Springfield

Fmaj7 **D7**
There's a woman that you ought to know
Fmaj7 **D7**
And she's coming singing soft and low
D
Singing rock n roll she's a joy to know
Fmaj7 **D**
Neath the shadow of her soothing hand
Fmaj7 **D**
I am free there just to make my plans

Dream of far away lands

Anything close at hand

A **C** **D**
And she will follow me why do you know
Am **C** **D**
Familiar places she's been by
Am **C** **D DsusD D7**
But if it seems she don't have to try

F D F D F D F D

Fmaj7 **D7**
And tomorrow she's a friend of mine
Fmaj7 **D7**
And the sorrow I see her face is lined

She's no longer mine
D **F D**
She's just hard to find
