Stymied

Buffalo Tom

Broken By words left unspoken I thought you was joking The words you say Stymied Please come untie me You're lying right beside me Don't lie to me Lying I caught you lying You caught me trying Don't let me catch you lying Lazy Open up the daisies And lay my so lazy soul to sleep Hoping I was not joking Was merely choking The words got caught Lying You caught me lying I caught you trying Don't let me catch you lying Lying I caught you lying You caught me trying Don't let me catch you lying Lazy Daisy Lazy Daisy Lazy
