

# When Pigs Fly

Bulletboys

Oh you  
Want me back  
I ask  
Have you been smokin' crack?  
Boo-hoo  
I watch you cry  
To make love with you  
I'd rather puke and die  
When you finish talkin' trash  
And givin' up that ass  
You'll know why  
I had to run away high  
When the sun sets in the east  
And rises in the west  
When pigs sprout wings and fly  
Then I'll come back to you  
Ah-ah-ah, ah-ah  
You've lost  
All self respect  
Your breath  
A putrid kiss of death  
Pass  
No enchant  
So if I may  
I'll sum it up this way  
When you finish talkin' trash  
And givin' up that ass  
You'll know why  
I had to run away high  
When the sun sets in the east  
And rises in the west  
When pigs sprout wings and fly  
Then I'll come back to you  
I'll come back to you  
Come back to you  
Come back to you  
Sick  
Whoa!  
When you finish talkin' trash  
And givin' up that ass  
You'll know why  
I had to run away high  
When the sun sets in the east  
And rises in the west  
When pigs sprout wings and fly  
Then I'll come back to you  
I'll come back to you  
Come back to you  
Come back to you  
When pigs fly, fly  
When pigs fly
