

An affirmation of the price that's on my head
I just can't get it enough
and I don't remember what you said

Another stupid lie that's placed above my bed
I think I've just had enough
Cause a voice is screaming in my head

Woah oh Woah oh
It's not the same for everyone
Woah oh Woah oh
Cause I'll make this last

Tell me what it is that you truly love
Hold on tight and don't let go
Tell me what it is that you're thinking of
Your silence will take it from you

Why do I speak the truth I find it must be said
This time I've had it enough
But the voice keeps screaming in my head

Cause you're right
And I'm wrong
Dreams are to blame
So you know, I'm here
And you're gone
An dreams aren't to blame
