

Cleanse Yourself

Buried Alive

Crave, crawl, drench
Cleanse
(Cleanse yourself)
Crave, crawl, drench
Cleanse
(Cleanse yourself)
Commitment is dead, purity is dead
Values are dead
Truths the enemy, feeling's the enemy
Innocence is the enemy
Believers a fool, [incomprehensible] a fool
Loyal's the fool
Hope will destroy, faith will destroy
Compassion destroys
Cleanse yourself, yourself
And you can cleanse yourself
You crave, you crawl, you're drenched
Drenched yourself
Crave, crawl, drenched
Drenched
(Drenched yourself)
Commitment is dead, purity is dead
Values are dead
Truths the enemy, feeling's the enemy
Innocence is the enemy
Believers a fool, [incomprehensible] a fool
Loyal's the fool
Hope will destroy, faith will destroy
Compassion destroys
Cleanse yourself, yourself
And you can cleanse yourself
You crave, you crawl, you're drenched
Drenched yourself
Crave, crawl, drenched
Drenched
(Drenched yourself)
Drenched yourself
