

# Up from the Ashes

**Burn Halo**

It's time to look me in the eyes  
It's time to read between the lines  
That you'd leave me here for dead  
But I'm not done yet  
I've got nothing left to lose  
I've got everything to prove  
After all you put me through

I'm ready  
I'm ready to fight  
I'm ready  
I'm ready to fight

I won't give in  
I'm not that easy  
I'll live again  
Keep on breathing  
I'll bleed my last regrets  
Sometimes you got to burn the past  
To rise up from the ashes

It's time to cut through all that dirt  
It's time to bury what hurts  
God help me leave this all behind  
I've got to survive  
I've got nothing left to lose  
I've got everything to prove  
After all you put me through

I'm ready  
I'm ready to fight  
I'm ready  
I'm ready to fight

I won't give in  
I'm not that easy  
I'll live again  
Keep on breathing  
I'll bleed my last regrets  
Sometimes you got to burn the past  
To rise up from the ashes

Rise up  
Rise up from the ashes  
Rise up  
Rise up from the ashes  
Rise up  
Rise up from the ashes  
Rise up  
Rise up from the ashes

I'm ready  
I'm ready to fight  
I'm ready  
I'm ready to fight  
I'm ready  
I'm ready to fight

I'm ready  
I'm ready to fight

I won't give in  
I'm not that easy  
I'll live again  
Keep on breathing  
I'll bleed my last regrets  
Sometimes you got to burn the past  
To rise up from the ashes

I won't give in  
Rise up  
Rise up from the ashes  
I'll live again  
Rise up  
Rise up from the ashes

I'll bleed my last regrets  
Sometimes you got to burn the past  
To rise up from the ashes

Rise up  
Rise up from the ashes  
Rise up  
Rise up from the ashes
