

The music make me feel I be Jordan
 Now I understand why them say aiye gbon gan
 Nkan ti mori
 Olun mi o so tan
 (Woro si woro)

The music make me feel I be Jordan
 (Woro si woro)
 (Koro ki loro)
 Now I understand why them say aiye gbon gan
 (O boy e plenty for my mind you go jisoro)
 Nkan ti mori
 Oloun mi o so tan

Many, many listening
 Holy water pon my head and my feet
 (Jen ri owo loke)

Gongo aso
 Aye a gbo
 Don't gock on
 Then come dey doubt am
 So what's the jargon
 It's a mad one
 Roll a loud one
 Record my album
 Don't address anyone
 But rather I have
 And I've been working
 No go do like say I don't deserve am
 Defend me sef
 Me no fear no one

Because the rhythm e plenty gani
 Wey give me plenty money
 Hypocrite plenty gan
 Wey dey pretendi gan ni
 Nah take me friends them from me
 Them ah identical to the devil gan ni
 I dey see them
 Won po bi
 But emi kilokanmi
 I go be all I can be
 Oluwaburna ma pami

(Woro si woro)
 The music make me feel like B Jordan
 (Woro si woro)
 (Koro ki loro)
 Now I understand why them say aiye gbon gan
 (O boy e plenty for my mind you go jisoro)
 Nkan ti mori
 Oloun mi o so tan

Many, many listening
 Holy water pon my head and my feet
 Anyone try me

Them go Gboro si gboro
The music make me feel like B Jordan
(Woro si woro)
(Koro ki loro)
Now I understand why them say aiye gbon gan
(O boy e plenty for my mind you go jisoro)
Nkan ti mori
Oloun mi o so tan

Many, many listening
Holy water pon my head and my feet

Woihh
Them ah talk what they can't prove
What them can't prove
Cos them want to taste out my food
Gave you my food
Then you talk say I chance you
Try to pick a picker man up
God pass you
Feels like I'm coming from my angle
My arrival come fuck up the cycle
Call me psycho
Ain't no telling what I might do
Why you make me
Make me beg that paper man slide through

Because the rhythm e plenty gani
Please give me plenty money
Hypocrite plenty gan
Wey dey pretend gan ni
Let's just find them for me
Them ah identical to the devil gan ni
I dey see them
Won po bi
But emi kilokanmi
I go be all I can be
Oluwaburna ma pami
