

# Alarm Clock

**Burna Boy**

God made us  
He made the magical beings  
It's important how you look at yourself  
And you view yourself (Wake up)  
How you look at your brother, how you look at your sister  
We from the same tribe  
It's Black love  
It's that real love  
Wake up

Ooh woah  
Alarm clock, all stand up  
Make una wake up  
Ah, this early morning  
Oh, this early morning  
Ah, this early morning  
Oh, this early morning  
Ah, this early morning

Some people go wan dey talk  
Instead of to thank the Lord  
Some people no wake up  
Ah, this early morning  
Oh, this early morning  
Ah, this early morning  
Oh, this early morning  
Ah, this early morning  
Se dem send you ni  
Se won ran e ni (E ni)

No-no-no, no-no-no  
No-no-no, no-no-no

Many things wey man go see  
Wey dey make a man dey wonder  
Abi se dem no believe me  
Why dem wanna drag me under  
I must be a special type of broda  
Some type of Oga (Ayy)
