

Fine like Omotola  
She get money like Otedola  
She wan get more dollar  
She no dey find anybody wey go control her no no  
Say she be foreigner, and these days she don dey popular  
She say she no get e no time for me now  
She no dey answer when I'm calling her

Baby show me what you can do  
If I light your candle  
Shey you go fit tando  
Make I show you what I can do  
Like as you come through  
I go give you bamboo now

Baby your body dey for my eye  
Baby your body dey for my eye

Girl you know say you are murder them you are real killy killy  
Girl e be you be the talk of the town really really  
Girl everybody dey look when you enter the building  
Tell me what to do; girl Im for real

Girl I've been scheming, plotting, planning...  
Fuck a plan A and move to plan B  
come any times the perfect timing  
So you should take a chance and try me  
It should be pon me that you're whining  
No other girl can satisfy me  
Girl me and you could be vibing  
But you keep playing these games and hiding

Fine-Fine like Omotola  
She get money like Otedola  
She wan get more dollar  
She no dey find anybody wey go control her  
Say she be foreigner, and these days she don dey popular  
She say no get time for me now  
She no dey answer when I am calling her

Baby show me what you can do  
If I light your candle  
Shey you go fit tando naa  
Make I show you what I can do  
Like as you come through  
I go give you bamboo now

Baby your body dey for my eye  
Baby your body dey for my eye
